CONFERENCE INVITATION (25 October 2021, 18.00 – 20.00)

FAFCE, jointly with the World Union of Catholic Women's Organisations ([WUWCO](#)), is happy to invite you to an event on the occasion of the [Amoris Laetitia Family Year](#).

“Family is the first place where children learn the preciousness of the Creation, a message of love from God to the humankind. It is a place of transmission of values, such as love, patience and humility, which paves the way for a deep respect for the Creation itself. Children are also educated to cherish the beauty of the complementarity between men and women, and the call for mutual respect”.

The event will be followed by the decoration ceremony of FAFCE Honorary President, Antoine Renard, made Knight of Saint Gregory the Great.
